

THEME 8 DIGITAL ERA WRITING SKILL (PASİFİK)

1. Read the examples and write a few sentences using “who”, “which”, “where” and “when”.

My grandmother, who is 80 years old, can watch videos on my tablet.

My father bought me an alarm clock which wakes me up with my favourite song.

I don't remember the year when I started school.

Do you remember the place where we met?

2. Read the note on netiquette rules and write a paragraph about the importance of netiquette. Use “because, so, therefore”.

Netiquette (The Internet Etiquette)

- * Make yourself look good online.
- * Avoid hurting someone's feelings.
- * Avoid using bad language.
- * Avoid online arguments.
- * Respect other's privacy.
- * Avoid writing in capital letters. It means shouting.
- * Respect other people's online rights.
- * Don't steal content.
- * Learn and use smileys.

e.g. Don't write in capital letters because it means shouting.

Always say “Please.” and “Thank you.” when you ask for help from your classmates, so they will always help you.
