

THEME 4 WHAT A LIFE GRAMMAR EXERCISES ANSWER KEY

Exercise 1 : Complete the text with the verbs from the box in the past simple.

On a summer day in 1986, my younger sister and I, at that time aged 4 and 5, were playing with our dolls. We (1) **were** alone at home because our parents were at work. After I had the idea to give the dolls some hairstyle change, I (2) **looked for** the scissors with great determination. I don't know how I found them in the end but I remember I cut all the dolls' hair. We had great fun and liked the result so much that I (3) **started** to cut my sister's hair in the same style. She had gorgeous blackstraight hair. Our parents (4) **found** my sister with a winter hat on when they came home later. Since it was summer, they thought it was a game of ours at first. However, they (5) **realised** that something was wrong when my sister insisted on wearing it all night. Imagine the surprise they had when they discovered what (6) **happened**. They (7) **got** a bit angry and mum had to take my sister to a hairdresser's. Having felt guilty at first, we (8) **had** a joyful memory to remember. Well, my sister and I can't remember much of all this but we can imagine how funny it was because we still have the dolls with my 'stylish haircut' on.
