Hi, my name is Mohammed. I'm from Saudi Arabia. I live in Riyadh, the capital city of Saudi Arabia. I have three sisters and one brother. My father is a/an \_\_\_\_\_ and my mother is a teacher at primary school. I am a student at Jubail Academy International School. My favorite subject at school is Geography because I'm \_\_\_\_\_ in traveling to new places. In my free time, I often surf the Internet and learn about foreign countries and their cultures. Also, I like horse riding. I am very excited to start the 10th grade! Right now, I'm \_\_\_\_\_ for my first day at school. Hey! I'm Nancy. I'm fifteen and I live in Los Angeles, California with my parents and twin brothers, Greg and Tom. They are only 4 years old. My dad works as a/an \_\_\_\_\_ at Google's LA office and he really enjoys his work. My mom is a police officer. She works very long hours and often has night shifts. For this reason, I spend a lot of time with Greg and Tom and I love it. But sometimes I have difficulty at school because some subjects are difficult, especially Physics and \_\_\_\_\_. After school, I usually go to an animal shelter in my neighborhood and at the moment, I'm cleaning the cages of some animals.

Hello, I'm Mehmet from Antalya, Türkiye. My family and I live in a flat in the city center. My mother is a \_\_\_\_\_ doctor at a children's hospital and my father is a pilot at Turkish Airlines. I have an older brother, Sinan. He is at university and he \_\_\_\_\_ Turkish Literature. He is interested in becoming a writer in the future. He writes short stories. You can read them on his blog on the web. In my opinion, literature is a window to different worlds and lives, but I'm interested in movies more. I want to be a/an \_\_\_\_\_ in the future, so in my free time, I go to the movies. Right now, I'm getting ready to go to the cinema.
