

THEME 4 HUMAN IN NATURE WRITING SKILL (ERKAD)

A. Imagine you are on an island. Write your island diary. Think about these questions.

Describe the island. Do you like it?

What problems do you have?

How do you spend your time?

What things do you take with you?

How do you feel?

B. Write sentences about what you do at weekends. Use adverbs of frequency (always, usually, often, sometimes, never).

C. Write a paragraph about your partner's daily routines and how often he/she does the activities.

D. Write mottos to protect nature.
