

## **THEME 8 EMERGENCY AND HEALTH PROBLEMS WRITING SKILL (ERKAD)**

### **A. Give advice for each situation below.**

1. I worked all night long yesterday and now I have a headache.
2. It rained cats and dogs last night. I got wet and now I have a sore throat.
3. I carried an armchair from the living room to my bedroom yesterday and now I have a backache.
4. I have a terrible toothache.
5. I'm coughing. I think I have a cold.
6. There are some red spots on my hand and they are itching.

### **B. Write a dialogue between an emergency service operator and a caller asking for help.**

### **C. Imagine that you are preparing a poster or leaflet about workplace or road safety. Create a motto to raise public awareness about the topic.**

### **D. Write what you can, should, must do and cannot, should not, must not do while on public transportation or in a public place as in the example.**

e.g. You should not talk loudly on the phone and disturb others in public places.
