

THEME 8 EMERGENCY AND HEALTH PROBLEMS WRITING SKILL (UPLIFT)

A. Write advice for each health problem.

1. Sore throat
2. Headache
3. Stomachache
4. Flu
5. Backache

B. Write a dialogue between an emergency service operator and a caller asking for help.

C. Imagine that you are preparing a poster or leaflet about workplace or road safety. Create a motto to raise public awareness about the topic.

D. Write what you can, should, must do and cannot, should not, must not do while on public transportation or in a public place as in the example.

e.g. You should not talk loudly on the phone and disturb others in public places.
